Re: Road Closure

The Street closure at **50th Avenue** has been extended two additional days due to City maintenance forces being assigned to work concurrently at two job locations this week.. The new closure dates are now from **May 22, 2006 to June 2nd, 2006**.

The residents and businesses in the areas have been notified (see the flier, attached) and advance warning signs will be posted for drivers. If you have any questions please contact Jaime Heredia, our project manager, at 510-615-5561, or cell 510-715-7096.

This is a joint project with Union Pacific Railroad to improve the railroad crossing. A total of ten are scheduled for upgrade this summer. We hope to be able to continue this partnership in the future to upgrade more of the railroad crossings throughout the City.

City of Oakland Temporary Street Closure

Oakland, CA – The Street closure at 50th Avenue has been extended two additional days due to City maintenance forces being assigned to work concurrently at two job locations this week.. The new closure dates are now from May 22, 2006 to June 2nd, 2006.

The Detour Route will be High Street.

The Public Works Agency is working with Union Pacific Railroad to upgrade the railroad crossing in this area. The existing crossing will be repaired, which will provide a smoother ride and will require less maintenance than the existing crossing. In order to complete this work safely the streets indicated will be closed during the construction work. For more information, contact the Public Works Agency, Engineering Design and Right-of-Way Management at (510) 615-5561.

**NOTICE
STREET CLOSURE
50th Avenue**

Dear Oakland Resident or Merchant,

The Street closure at **50th Avenue** has been extended two additional days due to City maintenance forces being assigned to work concurrently at two job locations this week. The new closure dates are:

5/22/2006 through 6/2/2006

High Street is the detour route.

While the reconstruction work is underway “DETOUR” signs will be posted. For your protection and in order for work crews to properly repair the street, please adhere to these restrictions.

Please note that rainy weather sometimes causes delays. In that event, signs will be adjusted as quickly as possible.

Our goal is to make Oakland a more beautiful and safe place to live, work and play.

If you have any questions or problems while the repair work is being done, please **call (510) 615 5566** from 8 a.m. to 4:30 p.m. Please refer to the railroad crossing upgrade project.
